SUMMERFEST

Featuring:
 Bruce Springsteen, Scott Belford,
 Alice Cooper, AC/DC and
 Iggy Pop

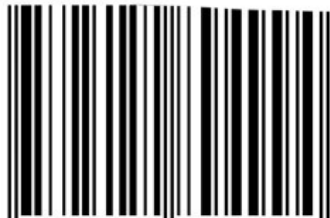

**How much sex is
 normal
 in your 60's?**

BELFORD'S MUSICAL GENIUS

"With every song that I write, I
 compare it to the Beatles. The
 thing is, they only got there before
 me. If I'd been born at the same
 time as John Lennon, I'd have
 been up there."

ROCKET MAN

Triple threat Belford signs
 monster deal with Raptors, Leafs and TFC
 as their head massage therapist
