Doug Johnstone – September 5, 1963 - October 7, 2026

It is with deep sorrow that we announce the passing of Paul Douglas Johnstone, known to many as Doug, on Wednesday, October 7, 2026. Doug was born in Toronto on September 5, 1963. He attended Vincent Massey Collegiate Institute from 1977 to 1982, where he was an outstanding athlete and served as captain of both the football and hockey teams. Following in his father's footsteps, Doug joined the Toronto Police Service as a constable in 1982. After six years of service, he joined the North York Fire Department in 1988. Through his intelligence, hard work, and resilience, he built a distinguished career. He was promoted to Captain in 1998, the same year the North York Fire Department amalgamated with Toronto Fire Services. He went on to serve as both District Chief and Platoon Chief on "D" Platoon in South Command.

Doug's colleagues will remember him for his strong character and unwavering willingness to help others. He lived to serve and was fiercely loyal to and protective of those he loved. Above all, his children were his world, and he was immensely proud of them. Doug was predeceased by his parents, Margaret and Paul Johnstone. He leaves behind his beloved children, David, Margaret (Meg), and Liam; his brother and confidant, Ian; his sister, Lynne; his former spouse and the mother of his children, Mena Falcone; his partner, Annie Powell; and many nieces, nephews, aunts, uncles, friends, and colleagues. Doug lived life to the fullest, sharing his humour, kindness, and many talents with those around him. He believed in doing the right thing and will be remembered for his humility, generosity, and genuine care for others. His family carries forward a deep gratitude for the life he lived and the memories they will forever cherish.

Members attending are asked to wear their dress uniforms.
